## Overview: Cheerleading Information

All Star cheerleading is an exciting, fast-paced and strenuous sport scored by a panel of judges. Our sport is broken down into competitive levels by age and ability level. The United States All Star Federation (USASF) is the main governing presence in our industry, and Trinity All Stars chooses teams based upon the age and ability levels specified by USASF. All Star Cheer is a sport that requires the highest levels of commitment. If your athlete wants to be involved in other activities or sports our All Star Prep program is the best choice for them.

All Star cheerleading is scored based on the execution of tumbling, jumping, dancing, motion technique, tosses, stunting, performance and choreography. All are important in putting together a successful team. Athletes will be placed on teams based upon their age and abilities in all of the above mentioned categories.

We use the USASF levels as guidelines; strengths and areas of growth are evaluated on the individual level but also what is best for the team. It takes all types of

athletes and skill sets to make a great team. We carefully and prayerfully consider each athlete and their team placement. Our goal is to place your athlete on a team where he/she will have fun and grow in his/her skills and character.
